à chaque fois qu'un clic se apparaît - à la fin - très rempli

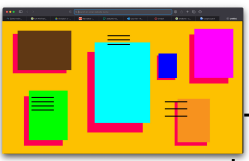

when clicked it takes me to a page of stuff I like
color - music - song...

privé de splash screen ?

quand l'utilisateur répond, la question suivante apparaît
quand l'utilisateur clique sur "yes" - se passe la beginning

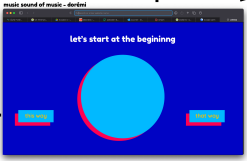

"In my garden
we had a tree
an olive tree
an olive tree"

"In my garden
we had a tree
an olive tree
an olive tree"

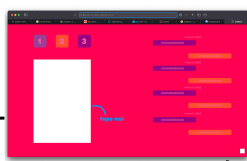

"In my house
my mother gave roses,
beautiful big trees,
that were formal like a forest,
mother of life and love,
about and grace"

"In my room
I had a small bed
big window
many things"

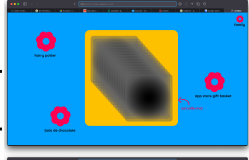

"In this house
life was breezy, easy and nice,
times when my parents fought,
my father got mad,
my girl got away."

music sound of music - discord
