Ingrédients:

- un oeuf
- du sucre de canne
- 1L de Get27
- un mixeur
- 2 citrons verts
- une poche de bonbons
- un verre
- 2 cuillères à soupe de vodka

Étape 1:

Dans un verre,
mélangez 1L de Get27 avec de la
limonade

Étape 2

Àjoutez une cuillère à soupe de sucre de canne pour pimper le tout !

Étape 3

Ensuite,
ajoutez-y un oeuf entier pour plus
d'onctuosité !

Étape 4

Rajoutez de la vodka et mixez le tout
comme un bon gros milshake

Étape 5

Dans une assiette,
coupez deux citrons en tranches pour
un peu plus de verdure

Étape 6

Et finissez par disperser des bonbons dans ce super cocktail.

Étape 7

Et si le résultat opère,
voici votre vision après dégustation
(oups)

Étape 8

Mais surtout faites appel à un ami pour rentrer chez vous

(sauf si vous voulez traverser les murs comme à poudlard)

adaptée ici pour nos besoins

the 1990s, the number of people with a mental health problem has increased in the UK (Mental Health Act 1983, 1990).

There is a growing awareness of the need to improve the lives of people with mental health problems. The Department of Health (1999) has set out a vision of a new mental health system, which will be based on the following principles:

- People with mental health problems should be treated as individuals, with their own needs and wishes.
- People with mental health problems should be given the opportunity to participate in decisions about their care and treatment.
- People with mental health problems should be given the opportunity to live in their own homes and communities.

There is a growing awareness of the need to improve the lives of people with mental health problems.
